Objectives

I'm a motivated and passionate young lady with an insatiable thirst for learning, a keen interest in tech industry and a strong commitment to serve the community. I believe that learning is a lifelong process that empowers us to grow, adapt and create positive change. I thrive on challenging myself to explore new ideas, acquire new skills and broaden my horizons. I'm eager to immerse myself in the ever-evolving world of tech and contribute to its transformative potential. However, my passion extends beyond personal growth and professional aspirations. I'm driven by a deep desire to give back to my community and make a meaningful impact in the lives of others by tackling complex challenges, and contribute to the growth and success of a forward-thinking tech organization.

Work Experience

Mentor at African Evangelical Enterprise March/2021, - in progress, Gasabo, Kigali Rwanda

As a seasoned mentor at AEE, I am dedicated to fostering professional growth and development within our dynamic community. With a wealth of experience in digital world, I bring a passion for guiding individuals on their journey toward excellence. I provide guidance, assistance by helping mentees set and achieve ambitious professional goals.

Digital Officer at Better Life Achievement Organization July/2019, - December/2021, Gasabo, Kigali-Rwanda

My responsibilities at BLAO was to manage and optimize digital workflows, implementing and maintaining digital tools and technologies, ensuring data security and privacy, facilitating communication through digital channels, and promoting the efficient use of digital resources for increased productivity and collaboration.

Certifications in Extra Short Courses
